Who May Compete:

Age: All riders 21 and under. The FEI age rule applies, which is the age the rider reaches in the calendar year. For example, if the rider becomes 21 years old in 2019, the rider is

eligible, but if the rider becomes 22 years old in 2019, the rider is not. If the rider turns 12 anytime in the year 2019, the rider is considered to be 12 for the show.

Horse may be ridden by one rider in two consecutive Divisions or two riders in the same or different

Divisions. A horse may compete in two Divisions only. The welfare of the horse is of utmost importance. Two competitors riding the same horse must keep this in mind when entering.

Divisions:

The Divisions are the heart of the Youth Dressage Festival. Each Division consists of three Sections:

1. Written Test
2. Equitation Class
3. Dressage Test

Each Section is worth 100 points for a total of 300 points.

Total points from the three divisions determine placings. Ties are broken by using the Equitation Class score, then Dressage Test score and, if needed, the Written Test score. For example, for Division #11, the rider will have a written test in their age group, ride in a group equitation class with other riders of their Division, and ride the First Level Test 2 dressage test. Riders entering two different Divisions will take one written exam (by age) and the same score will be used for each Division. For example, if a rider is riding one horse at the First Level Division and another horse at the Second Level Division, the rider will take one written exam and that test score will count for both the rider's First and Second Level Division scores. That rider will also ride the higher level Equitation Class.

Dressage Test Section:

Class WT – Walk/Trot Division 2015 USDF Introductory Test B, to be ridden in the small arena, 20x40m. For riders ages 14 and under who have never competed in a recognized competition where cantering is required. Riders in this division may not ride in any other division.

Class AA – Training Level, 2015 USEF Training Level, Test 3

Class 11 – USEF First Level Division 2015 USEF First Level Test 2

Class 22 – USEF Second Level Division 2015 USEF Second Level Test 2 *Unofficial Jog Required

The rider's position will be judged as it relates to the horse's balance, i.e., a rider with a classical hunt seat position would be acceptable at Training Level but not at Third Level. Attire: Riders may wear traditional show attire. If coats are waived due to heat (often the case), only short or long-sleeved shirts are allowed, no T-shirts. Informal attire (short or long-sleeved polo shirts) also is acceptable in the performance arena in place of traditional show attire. All riders must wear proper attire when mounted. ASTM/SEI approved helmets are required for all riders when mounted. The wearing of an improper helmet is grounds for

disqualification. Whips and blunt spurs are allowed. Judges may deduct up to two points for messy attire in the performance arena. Award recipients must be in neat competition attire (unmounted) to receive their Division awards.

Any rider receiving coaching while in the competition ring will be disqualified whether the rider requested such assistance or not. Any visual or verbal communication with the rider is considered coaching.

All tests must be ridden from memory.
